The Sun Settles Down

lyrics and music:
Jonathan. Lutz 1978

(use chords in C if capo on 2nd fret)

The sun — set - tles down, — the moon — ris - es high. —
 To - day — has now gone, — to - mor - row — is draw - ing nigh. —
 Too soon — you must go, — so much to say, — much to do. —
 Mmm — mmm —

Night — calms the earth, — the stars — fill the sky. —
 Soon — comes the dawn, — then up we'll rise — you and I. —
 Sleep, — sleep to - night, — the an - gels — will wait for you. —
 mmm — mmm —

(all verses:) Good - night, — good - night, sleep tight, and wake in the mor - ning light. —
